McMURRAY *Bio*

MEET THE GRAND MASTERS

GM Mc Murray and I have worked a number of seminars together in Florida and California, and I can attest to the fact that he is without a doubt one of the best presenters in the business.

His skills are awesome, but it is his delivery that makes it so much fun to train with him

GM Mc Murray and I first met in Los Angeles, and I took an instant liking to this humble man. No need to boast if you have the skills :)
