Important!

This form is to help speed the registration process, and the actual order should be done right from our website. Charter schools with the minimum of ten students registered will have been sent the password for the charter school order page. Until the minimum number of registrations have been submitted, please use our main certification web page to place the order without discount.

Please make sure to state exactly WHAT the payment is for, so I can match it to the e-mailed document.

ID numbers are assigned, in the order they are received. List your most senior members first, so they have the lowest number!
